

Communication

Communication port protocol	Ethernet/IP Modbus TCP
Communication service	FTP for web server Ethernet IP addressing manual, BOOTP or DHCP Ethernet SNMP agent Ethernet Diagnostics (08) Modbus Read/Write multiple registers (23) Modbus Read device identification (43) Modbus Read holding registers (03), 63 words max Modbus Read input registers (04), 63 words max Modbus Write multiple registers (16), 63 words max Modbus Write single register (06) Modbus
Web server	Embedded HTTP server
Web services	Ethernet/IP scanner setup Ethernet/IP setup Ethernet statistics Drive monitor Drive parameters Message statistics Security

Compatibility

Range compatibility	Altivar 32
---------------------	------------

Connections

Electrical connection	1 connector RJ45 Modbus TCP 1 connector RJ45 Ethernet/IP
-----------------------	---

Functional

Display type	1 LED for Modbus TCP port activity 1 LED for Ethernet port activity 1 LED for MS (Module Status) 1 LED for NS (Network Status)
Exchange mode	Half duplex and full duplex
Transmission rate	10/100 Mbps

Physical characteristics

Product weight	0.3 kg
----------------	--------

Product identification

Product or component type	Communication card
---------------------------	--------------------

Main characteristics

Brand	Schneider Electric
Commercial Reference	VW3A3616
Common description	ETHERNET TCP/IP COMMUNICATION CARD
EAN Number	3606480177590
Short description	ETHERNET TCP/IP COMMUNICATION CARD

Management information

Product part number	VW3A3616
---------------------	----------
